Dear Friends,

"A particular responsibility ... is to evoke among the young the desire for the act of faith, encouraging them to commit themselves to the ecclesial life that follows from this belief."

- Pope Benedict XVI

Our mission as a Catholic school community is to educate our students in the word of God, and to provide them with the foundation for success rooted in spirituality. This year, Seton Catholic School has been honored by the U.S. Department of Education as only one of 50 private schools in the nation to be named a Blue Ribbon School of Excellence. This outstanding recognition serves as a reminder to each of us of how truly blessed we are to be a part of the Seton community. Each day we witness the intelligence of our students, dedication of our parents, and commitment of our staff, and truly believe Seton is an environment that nurtures the best in every child who walks through our doors.

Our faculty, staff, and Board of Directors are so committed to maintaining this atmosphere of excellence that they have pledged to fully support the Annual Fund. We now ask you, our families, alumni families, and friends, to help us continue to provide the level of academic excellence expected of a Blue Ribbon school. We look forward to 100% participation from our entire Seton family to this year's Annual Fund.

We ask that you prayerfully discern what is appropriate for your family, and for Seton, and return the attached pledge card with your commitment to the 2009-2010 Annual Fund.

Thank you! May God's blessings be abundant in your life!
