What is TRIP?

TRIP stands for:

Tuition-Reduction-Incentive-Program

A great way to provide tuition assistance to families simply by using gift cards to do everyday shopping!

A family purchases gift cards through the TRIP program and redeems these gift cards when doing their daily purchases of groceries, gas, clothing, etc.

Each gift card contains a percentage rebate indicated on the order form, and 75% of that rebate is credited to the individual family's TRIP account. With each gift card purchased, a family builds up TRIP credits to then be applied twice a year by the school towards the family's tuition account.

Simply by using these gift cards instead of cash when doing your daily shopping, you will then save on your tuition!

How do I get started?

1. Simply go to your school office or school website and complete a TRIP registration form and order form.
2. Send the registration form, order form and check to the TRIP box at your school before your school's weekly TRIP pickup time. We will send your account number to you with your first order.
3. The next week you will either pick up your order or have it sent home with your child as you had indicated. You will receive an envelope filled with the gift cards you ordered, a new order form, and a label showing the TRIP credits you have earned. You will be credited with 75% of the discount earned directly to your tuition bill.

4. Ask your friends and family if they would use TRIP gift cards to do their shopping. Be sure to place an order each week and watch your credits grow!
