

Seton Catholic School Chess Club

Seton Catholic School is pleased to offer students in grades Kindergarten through 8 the opportunity to learn and play the exciting game of chess!

Many studies have shown that chess playing improves higher level thinking skills such as memory, concentration, and pattern recognition. In addition, chess provides opportunities for social interaction with family and friends and people of all ages, cultures and nationalities.

No previous experience necessary – students start at their own level. Instructor will be provided by David Bills for the ninth year.
